

Invitation to Panel Debate on Venezuela

International Debate CBS would like to invite you to participate in a panel debate on Venezuela: "Is foreign intervention the solution to the economic crisis?"

RIKO recommended you for this debate, and we feel that your position at the Nordic Mediators will be a great contribution to such a discussion.

ID is a non-profit independent student organization dedicated to taking the academic debate out of the classroom. We do that by hosting panel debates, seminars, and study trips on the most current and pressing topics on the international agenda.

The goal of this event is to elucidate students upon the causes of, consequences and trajectories for the crisis and how the international community could support a process of resolution. Specifically, we would like the debate to focus on whether foreign investment is an effective solution to the economic crisis in Venezuela.

The debate will take place on the 24th April, 17.00-18.30 at CBS.

I look forward to hearing from you.

Best regards,

Josephine Scott-Douglas

Vice-President of International Debate CBS
